STRENGTHS

⭐ **Accountability**

Follow through on challenging tasks without giving up.

👥 **Collaboration**

Have clear communication with cross-functional teams to proceed projects efficiently.

▤ **Structural Thinking**

Quickly break down complex UI cases into clear logic.

Frontend Engineer

📞 +44 7826 211370   @ sn920647@gmail.com   📍 London, UK

SUMMARY

Frontend engineer with over 3 years of hands-on experience building and maintaining web applications in both React and Vue ecosystems. Dedicated to creating thoughtful user experiences, writing clean modular code, and enabling strong cross-functional communication. Eager to bring user-first engineering practices to a product-driven team in the UK.

EXPERIENCE

Frontend Engineer
TIDESQUARE
12/2021 - 02/2025
Seoul, South Korea

Travel Agency
- Led the end-to-end frontend development of the Ticket category.
- Maintained and shipped new features across two travel platforms (Tourvis with Next.js, PRIVIA with Vue.js), serving 450K monthly users.
- Improved UX by implementing various features such as review summaries, stock alert, and real-time form validation etc.
- Enhanced performance and maintainability by modularising components and using React Hooks.
- Refactored legacy code by removing redundancy and extracting common functions into reusable modules, reducing code duplication by ~30%.
- Integrated Google Analytics with company's website in order to capture critical metrics.
- Migrated a legacy Vue.js codebase to Next.js to improve SEO and better code efficiency.enhancing SEO and maintainability, resulting in improved Lighthouse scores by ~35%.
- Served as an onboarding mentor for a new hire: provided task guidance and day-to-day onboarding support.

ADDITIONAL EXPERIENCE

Overseas Sales
DS Global
07/2019 - 01/2021
Seoul, South Korea

- Communicated with the US buyers to discuss product development and sales plan.

Compliance Support
Johnson & Johnson Medical
12/2018 - 04/2019
Seoul, South Korea

- Monitored compliance issues in sales activities.

International Trade Intern
Bosch Global
07/2017 - 12/2017
Yongin, South Korea

- Constructed bilingual(EN/KOR) instructions on trade regulations.

EDUCATION

MegaStudy IT Academy
Web Developer Training Programme
01/2021 - 10/2021
Seoul, Korea

- Completed a 10-month full-time bootcamp-style course training full stack developers.
- Gained foundational knowledge in backend and frontend development in Java, Spring, JavaScript, jQuery, Bootstrap, and MySQL.
- Built several hands-on mini projects and received mentorship throughout the programme.
